**DECLARATION OF ABEL PORTER
PURSUANT TO RULE 1007-2 OF LOCAL BANKRUPTCY
RULES FOR SOUTHERN DISTRICT OF NEW YORK**

I, Abel Porter, make this declaration under 28 U.S.C. § 1746:

1. I am the Chief Executive Officer of Fairway Group Holdings Corp. (“**Holdings**”) and its debtor affiliates (collectively, the “**Debtors**” the “**Company**” or “**Fairway**”), and have served in this role since 2017. Prior to my employment at Fairway, I was employed at Smith’s Food and Drug, where I served as President and subsequently as Chief Executive Officer during my tenure. I left Smith’s Food and Drug in 1999 and I went on to serve as President of Sullivan Family of Companies from 2001 to 2014. I am currently also on the board of Associated Food Stores of Salt Lake City.

2. On the date hereof (the “**Commencement Date**”), Holdings and its affiliated Debtors each commenced with this court (the “**Court**”) a voluntary case under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”). I am knowledgeable and

Fairway Community Foundation Inc., a charitable organization, owned by Fairway Group Holdings Corp., is not a debtor in these proceedings.

familiar with Fairway's day-to-day operations, business and financial affairs, books and records, and the circumstances leading to the commencement of these chapter 11 cases (the "**Chapter 11 Cases**"). Except as otherwise indicated herein, the facts set forth in this Declaration are based upon my personal knowledge, my review of relevant documents, information provided to me by employees of Fairway or advisors and counsel to Fairway, or my opinion based upon my experience, knowledge, and information concerning Fairway's operations, or the grocery and retail industry. If called upon to testify, I would testify competently to the facts set forth in this Declaration.

3. This Declaration is submitted pursuant to Rule 1007-2 of the Local Bankruptcy Rules for the Southern District of New York (the "**Local Rules**") for the purpose of apprising the Court and parties in interest of the circumstances that led to the commencement of these Chapter 11 Cases. I am authorized to submit this Declaration on behalf of Fairway. The Debtors have also submitted the *Declaration of Michael Nowlan Pursuant to Rule 1007-2 of Local Bankruptcy Rules for Southern District of New York* (the "**Nowlan Declaration**," and together with this Declaration, the "**First Day Declarations**") in support of the motions and applications that the Debtors have filed with the Court, including the "first day motions" (the "**First Day Pleadings**") which has been filed with this Court contemporaneously herewith.

4. Section I provides an overview of these Chapter 11 Cases. Section II describes Fairway's business. Section III describes the circumstances that led to the commencement of the Chapter 11 Cases. Section IV describes Fairway's corporate and capital structure. Section V identifies the attached schedules of information required by Local Rule 1007-2.

I.
Overview²

5. Fairway is a leading food retailing destination in the Greater New York City metropolitan area. Fairway operates fourteen (14) supermarkets across the New York, New Jersey and Connecticut tri-state area, including two with freestanding wine and liquor stores (the Stamford and Pelham locations) and two with in-store wine and liquor stores (the Woodland Park and Paramus locations). The Company's flagship store is located at Broadway and West 74th Street, on the Upper West Side of Manhattan, featuring a cafe, Sur la Route, and state of the art cooking school. Fairway employs over 3,000 individuals, approximately 83% of whom are represented by unions (including approximately 2,280 employees represented by United Food and Commercial Workers International Union ("UFCW"), Local 1500, 127 employees represented by UFCW Local 1262, 140 employees represented by UFCW Local 371, and 23 employees represented by UFCW Local 1500 (Drivers) (together with UFCW Local 1500, UFCW Local 1262, UFCW Local 371, the "**Unions**"). Fairway is party to four (4) collective bargaining agreements (collectively, the "**CBAs**") with the various bargaining units of the Unions. As of November 2019, Fairway's unaudited consolidated financial statements reflect total revenues of approximately \$643.3 million and a net loss of approximately \$65.8 million for the previous twelve month period and assets totaling approximately \$158.9 million and liabilities totaling approximately \$288.7 million.

6. Fairway has commenced these Chapter 11 Cases to implement a strategic asset sale strategy (the "**Sale Strategy**"). The Sale Strategy is the foundation of these Chapter 11 Cases and is critical to maximizing recoveries for all creditors and preserving a significant

number of jobs. Under the direction of a Special Committee of the Board of Directors comprised of two independent directors, the Sale Strategy has been developed with great care, thought, and planning. Fairway has developed the Sale Strategy to drive value and offer the best opportunities to preserve as many jobs and accomplish as many going concern sales of their stores as possible.

7. As described in further detail in the Moses Declaration filed contemporaneously herewith, in May 2019, PJ Solomon, L.P. ("**Solomon**"), was hired by the Company to serve as their investment banker, and since July 2019 Solomon has been actively marketing the Debtors' stores and the approximately 240,000 square foot production and distribution center (the "**PDC**") (and other related assets) for going concern sales in an organized prepetition bidding process, contacting over 80 potential buyers, including twenty-six (26) potential strategic buyers (the "**Prepetition Sale Process**"). On September 12, 2019, six (6) indications of interest were received for the acquisition of all or certain portions of the business, or a merger. In the ensuing weeks, the Company and its advisors worked with interested parties to provide diligence and negotiate the potential bids.

8. Ultimately, two parties emerged as potential stalking horse bidders. After extensive negotiations with the bidders and deliberations with their advisors, the Debtors have entered into a stalking horse asset purchase agreement (the "**Stalking Horse APA**") with Village Supermarket, Inc. (the "**Stalking Horse Bidder**"). The Stalking Horse APA provides for the sale of five (5) stores and the PDC, for an aggregate purchase price of approximately \$70 million (the "**Stalking Horse Bid**"). The Stalking Horse Bid is subject to higher or better offers in accordance with the Bidding Procedures (defined below). The Debtors are continuing to engage with other interested parties as part of the sale process and may enter into transactions for the

sale of additional stores on a going concern basis or other assets during these Chapter 11 Cases pursuant to the Bidding Procedures.

9. Although the Prepetition Sale Process has so far been successful, it has also confirmed to the Debtors that their businesses are not sustainable over the long term under the current cost structure. No bidder has been willing to assume Fairway's liabilities—in particular, the Company's substantial labor and pension obligations—in connection with a purchase of Fairway's stores. To the contrary, the Stalking Horse Bidder and all other bidders in the Prepetition Sale Process conditioned their purchase of the Debtors' assets free and clear of all liabilities, such as liabilities arising under or related to the CBAs, including the multi-employer contribution and withdrawal liabilities relating thereto. That said, the Stalking Horse APA requires the Stalking Horse Bidder to negotiate with the Unions, in consultation with the Debtors, to try to reach agreement on terms of employment with affected employees. The Debtors are hopeful that consensual agreements will be reached with their Unions.

10. Given these and other considerations, Fairway has concluded in the exercise of their business judgment and as fiduciaries for all of the Company's stakeholders that the best and only viable path to maximize the value of their business and potentially preserve many jobs is a strategic chapter 11 filing to facilitate sales free and clear of liabilities. It is the Company's judgment that if the Debtors cannot achieve free and clear sales within the required time periods prescribed by the RSA and the Milestones (each as defined below), all of the value that has been created and preserved through the Prepetition Sale Process may be lost, and the Debtors could be left with no choice but to liquidate their business in a fire sale and piecemeal fashion.

11. Pursuant to the bidding procedures motion filed contemporaneously herewith (the “**Bidding Procedures Motion**”), the Debtors seek approval of uniform bidding and auction procedures (the “**Bidding Procedures**”) for all of their stores, the PDC, and related assets (collectively, the “**Stores**”), including the Stores that are the subject of the Stalking Horse Bid. Under the Bidding Procedures, interested parties will have the opportunity to bid for any of the Debtors’ stores, either individually or on a package basis, whether or not a particular store or package of stores is included in a Stalking Horse Bid. Interested parties are requested to submit bids to be submitted by February 28, 2020, in accordance with the Bidding Procedures. As described in the Nowlan Declaration, given the current circumstances and the need for the Debtors to move as quickly as possible, the Bidding Procedures set forth an expedited bidding and sale process to implement the Sale Strategy.

12. As stated, in advance of the chapter 11 filing, the Debtors worked closely with their major stakeholders, including an ad hoc committee of lenders (the “**Ad Hoc Group**”) holding over 91% in the aggregate of all of the Company’s outstanding loans under the Prepetition Credit Agreement (defined below) (and in excess of 66⅔% if each tranche of debt thereunder). The lenders comprising the Ad Hoc Group (or their affiliates) also hold approximately 86% of the equity of Holdings (with the remaining approximately 14% of the equity being held by the lenders under the Prepetition Credit Agreement not included in the Ad Hoc Group), all of which was received in exchange for their debt claims in connection with Company’s 2016 bankruptcy cases as discussed below. None of the lenders (including lenders in the Ad Hoc Group) hold more than 35% of the equity of Holdings, and to my knowledge, none of the Debtors’ officers or directors are affiliated with or employed by any of the lenders (including the lenders in the Ad Hoc Group). On January 22, 2020, the Debtors executed a

restructuring support agreement (the “**RSA**”) with the members of the Ad Hoc Group, pursuant to which the members of the Ad Hoc Group agreed to vote in favor of and support confirmation of a chapter 11 plan incorporating the terms embodied by the term sheet annexed to the RSA (the “**Plan**”), attached hereto as **Exhibit B**. The Debtors are in the process of negotiating the Plan with the Ad Hoc Group and intend to file the Plan in the near term to expedite the Chapter 11 Cases.

13. As stated, in support of the Debtors’ chapter 11 filing, the Ad Hoc Group has agreed to provide the Debtors with an up to \$25 million debtor-in-possession new money credit facility (together, the “**DIP Facility**”) to support the Debtors’ liquidity during the chapter 11 cases. As described in further detail in the Nowlan Declaration, the DIP Facility, together with the consensual use of cash collateral, should provide the Debtors with sufficient liquidity to implement the Sale Strategy in an orderly and value-maximizing manner.

14. While the DIP Facility provides the liquidity needed to carry out the Sale Strategy, it cannot be emphasized enough that time is of the essence. Given the significant costs associated with continued operations, the DIP Credit Agreement and RSA set forth milestones (the “**Milestones**”) by which the Debtors must accomplish various objectives in an expeditious manner. In particular, the Milestones include, among others, the following:³

Milestone	Deadline
<i>Sale Process Milestones</i>	
Entry of the order approving the Bidding Procedures	25 days following the filing of the Bidding Procedures Motion (February 17, 2020)

15. Given the foregoing, it is imperative that the parties cooperate with one another and that negotiations be conducted as expeditiously as possible. While the Debtors are committed to pursuing consensual resolutions with their unions where possible, if consensual resolutions cannot be quickly achieved within the deadlines set forth in the Milestones and the Stalking Horse APA, the Debtors will be required to commence proceedings under sections 1113 and 1114 of the Bankruptcy Code. The Debtors believe that all constituents, including the employees, will benefit from this chapter 11 proceeding over any other alternatives and, as a result, must maintain the timeline presented to achieve the necessary relief and maximize value for all stakeholders.

II.

Fairway's Businesses

A. History and Current Business Operations

16. Fairway is a food retailer offering customers a differentiated one-stop shopping experience "Like No Other Market." Since beginning as a small neighborhood market in the 1930s, Fairway established itself as a leading food retailer in the Greater New York City metropolitan area. Fairway's stores emphasize an extensive selection of fresh, natural, and organic products, prepared foods, and hard-to-find specialty and gourmet offerings, along with a full assortment of conventional groceries.

17. As described above, Fairway operates fourteen (14) stores across the New York, New Jersey and Connecticut tri-state area. Fairway also operates the PDC, a production and distribution center and state-of-the-art central commissary, bakery and produce distribution site with the ability to support up to thirty (30) Fairway Market stores. The approximately 240,000 square foot facility includes a full line bakery, cafe and specialty warehouse. The PDC

helps Fairway with housing their imports and cheeses and is a cabinet facility housing Fairway's customer service and training centers, store development team, and centralized catering operation. The facility also services outside customers and is a manufacturer for other grocery stores, and serves companies supplying airports and restaurants in the tri-state area.

18. The Company leases all of its store operations from various landlords. The Company pays approximately \$3.5 million per month in rent on its leased real property, inclusive of real property taxes, common area maintenance, and insurance. For each location, a Fairway subsidiary is the lessee. Holdings or Fairway Acquisition guarantee some but not all of the leases, and certain leases are supported by letters of credit that are cash collateralized with proceeds from the Prepetition Credit Agreement.

19. The Debtors' operating cash flow depends on their ability to provide customers with high volumes of fresh, high quality, food, beverage, and other products without interruption. Fairway stores offer an extensive selection of natural and organic products, prepared fresh foods and hard to find specialty and gourmet items, along with an unparalleled variety of meats, cheeses and produce. Fairway has also embraced grocery delivery through partnering with delivery services and has introduced the grocery technology that lets shoppers use the Fairway-branded mobile checkout app to scan products with their phone cameras. The Debtors experience a high turnover of inventory due to the perishability of certain merchandise that must be replaced quickly to satisfy customer demand and ensure that the Debtors' shelves do not suddenly go barren.

20. In the 52 weeks ending December 1, 2019, the Debtors reported approximately \$643.3 million in sales and gross profit of \$227 million. The Debtors reported aggregate adjusted EBITDA of \$23 million over this same period, but the Debtors lost

approximately \$68.8 million during the same period as a result of depreciation, amortization, interest expense, other operating costs associated with supporting their fourteen (14) stores with a declining sales base, and additional costs to close operations at the Nanuet location.

III.
The Need for Chapter 11 Relief and the
Circumstances Leading to Commencement of These Chapter 11 Cases

21. As stated, the Debtors are filing the Chapter 11 Cases to implement the Sale Strategy, which is critical to achieving the Debtors' goals of maximizing creditor recoveries, providing for an equitable distribution to the Debtors' stakeholders, and protecting the interests of its approximately 3,000 employees as best as possible.

A. The 2016 Cases

22. Unfortunately, this is Fairway's second chapter 11 filing in four (4) years. In June 2016, the Company emerged from chapter 11 following a prepackaged chapter 11 case that adjusted its capital structure and paid all general unsecured creditors in full with no impact on Fairway's union and pension obligations.⁴ The Company's prior third party lenders converted a substantial portion of their debt to substantially all of the reorganized equity of Fairway and also received take back debt. Since the Company's emergence, market pressures and other issues discussed herein have continued to be a drain on the Company. Despite the support of the Company's new owners and lenders—who have provided additional financing to the company of approximately \$37 million in the aggregate, appointed industry experts to the board, brought in a new management team, never took any distributions or management fees, and supported the Company's balance sheet by permitting the Company to pay the substantial majority of the interest accruing under the Prepetition Credit Agreement “in kind” by capitalizing interest owed

⁴ An order closing the cases was entered on December 23, 2016. *In re Fairway Group Holdings Corp.*, Case No. 16-11241 (Bankr. S.D.N.Y. June 6, 2016) (ECF No. 237).

thereunder—the Company can no longer operate without the protections of chapter 11. As stated, the Company’s prepetition lenders remain supportive of Fairway and have entered into a restructuring support agreement and agreed to finance these chapter 11 cases with a DIP Facility of up to \$25 million.

23. More specifically, under the 2016 prepackaged plan, Fairway’s then-existing secured creditors received (i) 100% of equity of the reorganized Company (subject to dilution by up to 10% by a management incentive program), (ii) a \$45 million last out exit term loan (the “**Last Out Exit Term Loan**”) with Fairway Acquisition as borrower and each of the other Fairway subsidiaries as guarantors, secured by all of the assets of Fairway, and (iii) a \$39 million unsecured subordinated term loan (the “**Subordinated Term Loan**”) with Holdings as borrower, but which was not guaranteed by the other Fairway subsidiary entities. The 2016 prepackaged plan was confirmed in June 2016. *In re Fairway Group Holdings Corp.*, (Bankr. S.D.N.Y. June 8, 2016) (ECF No. 156). In August 2018, the facilities existing upon exit from the 2016 chapter 11 cases, including the Last Out Exit Term Loan and the Subordinated Term Loan were either repaid in full or otherwise converted into loans under the Prepetition Credit Agreement.

B. The 2018 Rescue Financing

24. As noted, following Fairway’s emergence from chapter 11 in June 2016, Fairway continued to face headwinds in the market, which have continued to this date and are described in further detail in the following section. As a result, the Company required and obtained rescue financing from certain of their Prepetition Lenders in August 2018, resulting in execution of the Prepetition Credit Agreement, whereby certain of the Prepetition Lenders provided the Company the \$14.5 million Super Senior Secured Term Loan Facility and \$22.66 million Super Senior Secured L/C Facility (each as defined below).

C. Competitive Industry

25. The food retail industry as a whole, particularly in the Greater New York City metropolitan area, is highly competitive, and increasingly so in recent years. According to the Food Marketing Institute, the percentage of American consumers who called supermarkets their “primary grocery store” has fallen from 67% in 2005 to 49% in 2018.⁵ Fairway experiences competitive pressures across multiple market segments including from local, regional, national and international supermarket grocers such as Stop & Shop (owned by Royal Ahold), Whole Foods, Aldi, Trader Joe’s, King Kullen, Gristede’s, Citarella, Save-A-Lot and Lidl, convenience stores such as 7-Eleven, dollar stores such as Dollar General and Dollar Tree, retail drug chains such as CVS, Walgreens and Rite Aid, supercenters such as Walmart and Target, club stores such as Costco, BJ’s and Sam’s, and numerous independent and specialty stores. The Company also faces rapidly intensifying competition from well-capitalized online retail grocery giants such as Amazon, Walmart, and Target, as well as local online grocers such as FreshDirect and Peapod and meal-kit operators like Blue Apron and Hello Fresh. According to Coresight Research, nearly 40% of Americans bought groceries online in 2019, up from under 30% in 2018.⁶ Finally, given the Company’s extensive prepared and fresh food offering, it competes directly with countless full service, casual dining, fast casual, quick service restaurants, many of which offer free delivery; specialty coffee shops such as Starbucks and other specialty food retailers, particularly in Manhattan. In addition, some of Fairway’s competitors have expanded aggressively in marketing a range of natural and organic foods, prepared foods and quality specialty grocery items. Some of Fairway’s competitors have more experience operating

⁶ Coresight Research, US Online Grocery Survey 2019, (2019).

multiple store locations and have greater financial or marketing resources than Fairway, which allow them to devote greater resources to sourcing, promoting, and selling their products. The density of the Greater New York City metropolitan area compounds the problem because of the geographic proximity between Fairway's stores and those of their competitors.

26. The scale advantages that extremely large grocers, such as Amazon, Walmart, Target, Costco, BJ's, Stop & Shop (Ahold), CVS, Walgreens, Aldi, Lidl, Dollar General and Dollar Tree have over regional grocers like Fairway cannot be overstated. These larger grocers all have investment grade credit ratings, which makes their cost of capital meaningfully lower and affords them extraordinary capacity to invest in lower prices, higher wages, more advertising, more effective modern technology and further growth, all of which enhance the probability a consumer will become and remain their customers. Fairway's comparable store sales decreased approximately 5% in the fifty-two (52) weeks ended January 12, 2020 compared to the fifty-two weeks ended January 13, 2019.

27. Additionally, as discussed above, approximately 83% of the Company's workforce is unionized. The workforces of some of the Company's most significant competitors are not unionized, resulting in lower labor, pension, and benefit costs than the Company faces. As a result, these competitors can offer lower prices to their customers, putting pressure on the Company to do the same, further reducing the Company's profit margin. Non-union grocers also generally have more free cash flow to invest in advertising and technology to drive customer traffic and loyalty.

D. Liquidity Constraints

28. Although certain of the Company's stores generate positive EBITDA, the Company is experiencing historically low EBITDA generation as a result of the industry pressures discussed above. The reduced EBITDA has increased the Company's leverage and has

imposed significant strains on the Company's liquidity and cash flows. The strain on the Company's liquidity has been exacerbated by the costs associated with the Company's labor and pension costs, described below.

E. Inability to Make Capital Investments

29. Capital improvements and investment in operations are imperative for food retailers to keep pace with their competition. Market participants are introducing technological advances and other initiatives to customize and improve consumer experience. Companies are also implementing cost-saving technologies and practices that allow them to further lower their prices, including in the areas of labor scheduling, ordering, receiving, payment processing, and data analytics. Additionally, some of the Company's stores need renovations that would enhance customers' shopping experience and generate increased revenues.

30. The Company's increased leverage and liquidity constraints, however, have impeded its ability to invest in store renovations and in other capital and operational expenditures at the level and speed at which the food industry is evolving. Indeed, the Company did not undertake a substantial portion of the capital improvement projects and initiatives that it had previously planned to implement in 2019. Furthermore, as discussed above, the grocery sector has recently been faced with significant headwinds, making it an inopportune time to raise capital to invest in the Company's business.

F. Labor and Pension Costs

31. The Debtors' cost structure includes certain employee and labor-related costs that have historically driven down their profit margins. Pursuant to the CBAs, the Debtors are required to contribute to a multi-employer pension plan administered by a local United Food and Commercial Workers union, entitled the UFCW Local 1500 Pension Plan that also covers

collectively-bargained employees of certain unaffiliated entities (“**Pension Plan**”). The Debtors also participate in a multiemployer health and welfare plan (the “**UFCW Local 1500 Welfare Fund**”) that provides benefits to employees represented by UFCW Local 1500, UFCW Local 371 and UFCW Local 1262. The expenses for the UFCW Local 1500 Welfare Fund total approximately \$750,000 per month (or approximately \$9 million in the aggregate in 2019), of which the Company pays approximately 92% (approximately \$8.3 million per year).

32. The Pension Plan is currently underfunded in part due to increases in the costs of benefits provided or paid under the plan as well as lower returns on plan assets. As of August 14, 2019, the Debtors were provided actuarial information that estimates that the present value of unfunded benefits for the purposes of withdrawal liability is approximately \$67 million. The unfunded liabilities of this Pension Plan may require increased future payments by other participating employers. As a result, the Pension Plan has adopted a rehabilitation plan to increase the plan’s funding percentage. The Debtors’ payments on account of the Pension Plans amount to \$361,731 per month, which the Debtors have diligently paid over time until shortly prior to filing these Chapter 11 Cases, when liquidity became severely restricted.

33. The CBAs also mandate wage increases each year irrespective of sales. The company’s average hourly wage increased from \$13.20 in Fiscal Year 2018 to \$14.46 in Fiscal Year 2019 and to an expected \$15.78 in Fiscal Year 2020, an increase of approximately 20%.

34. The Debtors also maintain third-party workers’ compensation insurance for all fourteen (14) of their stores (collectively, the “**Workers’ Compensation Program**”). The Debtors estimate that the pay approximately \$4.5 million per year for premiums in connection with the Workers’ Compensation Program.

IV.
Corporate and Capital Structure

A. Corporate Structure

35. As the Debtors are privately-held companies, none of the Debtors' equity securities have been publicly-traded since emerging from the 2016 chapter 11 cases. Holdings was founded in September 2006 as a Delaware corporation. Holdings is the direct corporate parent of Fairway Group Acquisition Company ("**Fairway Acquisition**"), also formed in September 2006 as a Delaware corporation. A separate Delaware limited liability company houses each individual Fairway grocery market. Fairway Acquisition is the sole equity holder of each of these limited liability companies. Thus, all of the Debtors are direct or indirect subsidiaries of Holdings. An organizational chart illustrating the corporate structure of the Debtors is annexed hereto as **Exhibit A**.

36. As of the Commencement Date, the outstanding equity interests in Holdings are currently held (either directly and/or through subsidiaries or affiliates) approximately 33.6% by funds or entities affiliated with or managed by Brigade Capital Management, LP, approximately 29.9% by Goldman Sachs & Co, approximately 22.2% by funds or entities affiliated with or managed by FS KKR Capital Corp., with certain other holders each holding approximately 5% or less of the remaining 14.3% of the equity in Holdings.

37. Holdings' current board of directors is comprised of the following five (5) members, including two (2) independent directors:

Name	Position
Ken Martindale	Chairman of the Board
Errol Schweizer	Director
Tom Furphy	Director

Name	Position
Eugene Davis	Director (independent)
Neal Goldman	Director (independent)

38. To the best of my knowledge, none of the members of the board of directors are affiliated with or employed by any of the Company's shareholders or lenders.

39. Fairway's current senior management team is comprised of the following individuals:

Name	Position
Abel T. Porter	Chief Executive Officer
Brad Schneider	Chief Financial Officer
Maureen P. Page	Senior Vice President—Finance
Nathalie Augustin	Senior Vice President—General Counsel

40. To the best of my knowledge, none of the Company's senior management are affiliated with or employed by any of the Company's shareholders or lenders.

41. Prior to commencing these Chapter 11 Cases, the Company took measures to ensure a seamless transition into chapter 11. First, the Company appointed a new independent director to its Board of Directors (the "**Board**"): Neal P. Goldman, Managing Member of SAGE Capital Investments. The Company now has two independent directors, Mr. Goldman and Eugene Davis, Chairman and Chief Executive Officer of PIRINATE Consulting Group, LLC. These individuals bring decades of restructuring and operational turnaround and transformation experience to the Company. Second, the Board formed a special committee (the "**Special Committee**"), composed solely of its two independent directors, Mr. Goldman and Mr. Davis, to oversee the Company's restructuring process. In addition, effective upon to the Commencement

Date, Michael Nowlan of Mackinac Partners was appointed Chief Restructuring Officer (“CRO”) of each of the Debtors.

42. Additional information regarding the Debtors’ senior management team is set forth in **Schedule 10** annexed hereto.

B. Capital Structure

43. Each of the Parties agrees not to commence any proceeding relating hereto or thereto except in the courts described above in the Borough of Manhattan in the State of New York, other than proceedings in any court of competent jurisdiction to enforce any judgment, decree or award rendered by any such court in New York as described herein. Each of the Parties further agrees that notice as provided herein shall constitute sufficient service of process and the Parties further waive

any argument that such service is insufficient. Each of the Parties hereby irrevocably and unconditionally waives, and agrees not to assert, by way of motion or as a defense, counterclaim or otherwise, in any proceeding arising out of or relating to this Agreement or the Restructuring Transactions, (i) any claim that it is not personally subject to the jurisdiction of the courts in New York as described herein for any reason, (ii) that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise) and (iii) that (A) the proceeding in any such court is brought in an inconvenient forum, (B) the venue of such proceeding is improper or (C) this Agreement, or the subject matter hereof, may not be enforced in or by such courts. Notwithstanding the foregoing, during the pendency of the Chapter 11 Cases, all proceedings contemplated by this Section 11(b) shall be brought in the Bankruptcy Court.

(c) EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

12. Specific Performance/Remedies.

It is understood and agreed by the Parties that money damages would not be a sufficient remedy for any breach of this Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including attorneys' fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a remedy, including an order of the Bankruptcy Court requiring any Party to comply promptly with any of its obligations hereunder. Each Party also agrees that it will not seek, and will waive any requirement for, the securing or posting of a bond in connection with any Party seeking or obtaining such relief.

13. Survival.

Notwithstanding the termination of this Agreement pursuant to Section 5 hereof, the agreements and obligations of the Parties in this Section 13, and Sections 4(b), 5(g), 10 (with respect to the redacted information), 11, 12, 13, 14, 15, 17, 18, 19, 20, 21, 22, 23 (and any defined terms used in any such Sections) shall survive such termination and shall continue in full force and effect in accordance with the terms hereof; *provided, however*, that any liability of a Party for failure to comply with the terms of this Agreement shall survive such termination.

14. Headings.

The headings of the sections, paragraphs and subsections of this Agreement are inserted for convenience only and shall not affect the interpretation hereof or, for any purpose, be deemed a part of this Agreement.

15. Successors and Assigns; Severability; Several Obligations.

This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors, permitted assigns, heirs, executors, administrators and representatives; *provided, however*, that nothing contained in this Section 20 shall be deemed to permit Transfers of the Loans or claims arising under the Loans other than in accordance with the express terms of this Agreement. If any provision of this Agreement, or the application of any such provision to any Person or circumstance, shall be held invalid or unenforceable in whole or in part, such invalidity or unenforceability shall attach only to such provision or part thereof and the remaining part of such provision hereof and this Agreement shall continue in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any Party. Upon any such determination of invalidity, the Parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the Parties as closely as possible in a reasonably acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible. The agreements, representations and obligations of the Parties are, in all respects, ratable and several and neither joint nor joint and several.

16. Restructuring Expenses.

Whether or not the transactions contemplated by this Agreement are consummated, the Company Parties hereby agree to pay, in cash, all Restructuring Expenses as follows: (i) all accrued and unpaid Restructuring Expenses shall be paid in full in cash on or prior to the Support Effective Date, (ii) prior to the Petition Date and after the Support Effective Date, all Restructuring Expenses incurred during such period (and not previously paid pursuant to the preceding clause (i), if any) shall be paid in full in cash by the Company Parties on a regular and continuing basis as soon as reasonably practicable, and in any event, prior to the Petition Date, and (iii) after the Petition Date and during the RSA Support Period, all accrued and unpaid Restructuring Expenses incurred up to (and including) the Plan Effective Date (including all accrued and unpaid fees and expenses incurred through the Support Effective Date) shall be paid in full in cash on the Plan Effective Date (provided, for the avoidance of doubt, that such Restructuring Expenses have not been satisfied during the Chapter 11 Cases pursuant to the DIP Orders), without any requirement for Bankruptcy Court review or further Bankruptcy Court order. Notwithstanding the foregoing, nothing herein shall affect or limit any obligations of the Company Parties to pay the Restructuring Expenses as provided in the DIP Orders.

17. No Third-Party Beneficiaries.

Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties (and their respective successors, permitted assigns, heirs, executors, administrators and representatives) and no other Person shall be a third-party beneficiary hereof.

18. Prior Negotiations; Entire Agreement.

This Agreement, including the exhibits and schedules hereto (including the Term Sheet) constitutes the entire agreement of the Parties, and supersedes all other prior negotiations, with respect to the subject matter hereof and thereof, except that the Parties acknowledge that any confidentiality agreements (if any) heretofore executed between the Company Parties and each Consenting Creditor shall continue in full force and effect.

19. Counterparts.

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and all of which together shall be deemed to be one and the same agreement. Execution copies of this Agreement may be delivered by electronic mail in portable document format (pdf), which shall be deemed to be an original for the purposes of this paragraph.

21. Reservation of Rights; No Admission.

(a) Nothing contained herein shall limit (A) the ability of any Party to consult with other Parties or (B) the rights of any Party under any applicable bankruptcy, insolvency, foreclosure, or similar proceeding, including the right to appear as a party in interest in any matter to be adjudicated in order to be heard concerning any matter arising in the Chapter 11 Cases, in each case, so long as such consultation or appearance is consistent with such Party's obligations hereunder.

(b) Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict the ability of each of the Parties to protect and preserve its rights, remedies, and interests, including its claims against any of the other Parties (or their respective affiliates or subsidiaries) or its full participation in any bankruptcy case filed by the Company Parties. 22. Relationship Among Consenting Creditors.

No prior history, pattern, or practice of sharing confidences among or between the Consenting Creditor shall in any way affect or negate this understanding and agreement.

23. No Solicitation; Representation by Counsel; Adequate Information.

(a) This Agreement is not and shall not be deemed to be a solicitation for votes in favor of the Plan in the Chapter 11 Cases by the Consenting Creditors or a solicitation to tender or exchange any of the Loans. The acceptances of the Consenting Creditors with respect to the Plan will not be solicited until such Consenting Creditor has received the Disclosure Statement and related ballots and solicitation materials, each as approved or ratified by the Bankruptcy Court.

(b) Each Party acknowledges that it has had an opportunity to receive information from the Company Parties and that it has been, or is part of a group that has been, represented by counsel in connection with this Agreement and the transactions contemplated hereby. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived.

(c) Although none of the Parties intends that this Agreement should constitute, and they each believe it does not constitute, a solicitation or acceptance of a chapter 11 plan of reorganization or an offering of securities, each Consenting Creditor acknowledges, agrees and represents to the other Parties that it (i) is an accredited investor (as such term is defined in Rule 501(a) of Regulation D promulgated under the Securities Act) and a qualified institutional buyer as such term is defined in Rule 144A of the Securities Act, (ii) understands that the securities to be acquired by it (if any) pursuant to the Restructuring have not been registered under the Securities Act and that such securities are, to the extent not acquired pursuant to section 1145 of the Bankruptcy Code, being offered and sold pursuant to an exemption from registration contained in the Securities Act, based in part upon such Consenting Creditor's representations contained in this Agreement and cannot be sold unless subsequently registered under the Securities Act or an exemption from registration is available, and (iii) has such knowledge and experience in financial and business matters that such Consenting Creditor is capable of evaluating the merits and risks of the securities to be acquired by it (if any) pursuant to Restructuring and understands and is able to bear any economic risks with such investment.

The DIP Liens shall be effective and perfected as of the entry of the Interim DIP Order (as defined herein) and without necessity of the execution, filing or recording of security agreements, pledge agreements, control agreements, financing statements or other agreements. However, the DIP Agent may, in its discretion, require the execution, filing or recording of any or all of the documents described in the preceding sentence.

Notwithstanding the foregoing, the DIP Collateral shall not include (and the DIP Liens shall not extend to) assets held by the Debtors in trust. Nothing herein shall limit, subordinate, or constitute a waiver of any rights and priorities of claimants with statutory trust rights, including those afforded under the Perishable Agricultural Commodities Act of 1930, as amended, 7 U.S.C. §§ 499a et. seq or the Packers and Stockyards Act of 1921, as amended, 7 U.S.C. § 181 et. seq.

Superpriority DIP Claims:

All DIP Claims shall be entitled to the benefits of section 364(c)(1) of the Bankruptcy Code, having superpriority over any and all administrative expenses of the kind that are specified in sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 546(c), 726, 1114 or any other provisions of the Bankruptcy Code, subject only to the Carve Out.

The DIP Claims will, at all times during the period that the DIP Loans remain outstanding, remain, in right of payment, senior in priority to all other claims or administrative expenses, including (a) any claims allowed pursuant to the obligations under the Prepetition Loan Documents, and (b) the Prepetition Lender Superpriority Claims (as defined herein), subject only to the Carve Out.

Carve Out:

“Carve Out” means an amount equal to the sum of the following (A) : (i) all fees required to be paid to the Clerk of the Bankruptcy Court and to the Office of the United States Trustee under 28 U.S.C. § 1930(a) plus interest pursuant to 31 U.S.C. § 3717 (without regard to the notice set forth in clause (iii) below); (ii) all reasonable fees and expenses incurred by a trustee under section 726(b) of the Bankruptcy Code in an aggregate amount not to exceed \$25,000 (without regard to the notice set forth in clause (iii) below); (iii) to the extent allowed by the Bankruptcy Court at any time, whether by interim order, procedural order, final order or otherwise, all accrued and unpaid fees, disbursements, costs and expenses incurred by persons or firms retained by the Debtors pursuant to section 327, 328 or 363 of the Bankruptcy Code (the “Debtor Professionals”) and all budgeted and accrued unpaid fees,

disbursements, costs and expenses incurred by the Committee (if any) pursuant to section 328 and 1103 of the Bankruptcy Code (the “Committee Professionals,” together with the Debtor Professionals, the “Estate Professionals,” and such Estate Professional fees, the “Allowed Professional Fees”) at any time before or on the first business day following delivery by the DIP Agent at the direction of the Requisite DIP Lenders of a Carve Out Trigger Notice (as defined herein), whether allowed by the Bankruptcy Court prior to or after delivery of a Carve Out Trigger Notice; (iv) Allowed Professional Fees of Estate Professionals in an aggregate amount not to exceed \$500,000 incurred after the first business day following delivery by the DIP Agent at the direction of the Requisite DIP Lenders of a Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, final order, or otherwise (the amounts set forth in this clause (iv) being the “Post-Carve Out Trigger Notice Cap”) and (v) subject to entry of the Bid Procedures Order (as defined herein), amounts used to pay the Termination Payment and any of Buyer’s Damages, as each of those terms are defined in and pursuant to the Stalking Horse Agreement (as defined herein), provided that such amounts, in the aggregate, shall not exceed three (3%) of the Cash Purchase Price (as such term is defined in and in accordance with the Stalking Horse Agreement). For purposes of the foregoing, “Carve Out Trigger Notice” shall mean a written notice delivered by e-mail (or other electronic means) by the DIP Agent at the direction of the Requisite DIP Lenders to the Debtors and their counsel, the United States Trustee, and lead counsel to any Committee appointed in the Chapter 11 Cases, which notice may be delivered following the occurrence of an Event of Default, stating that the Post-Carve Out Trigger Notice Cap has been invoked.

On the day on which a Carve Out Trigger Notice is given by the DIP Agent at the direction of the Requisite DIP Lenders to the Debtors with a copy to counsel to the Committee (if any) (the “Carve Out Trigger Notice Date”), the Carve Out Trigger Notice shall constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor (including any cash collateral) to fund the Professional Fees Escrow Account (as defined herein) in an amount equal to the then unpaid amounts of Estimated Fees and Expenses (as defined herein) in an amount to pay unpaid Allowed Professional Fees prior to any and all other claims. The Debtors shall deposit and hold in trust in the Professional Fees Escrow Account an amount equal to the Post-Carve Out Trigger Notice Cap, which shall exclusively be used to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap Notwithstanding anything to the contrary herein, following delivery of a Carve Out Trigger Notice, if the DIP Agent (at the direction of the Requisite DIP Lenders) sweeps or forecloses on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors, the DIP Agent shall promptly deposit any cash swept or foreclosed upon after delivery of the Carve-Out Trigger Notice (including cash received as a result of the sale or other disposition of any assets) into the Professional Fees Escrow Account until it is fully funded. Further, notwithstanding anything to the contrary herein, (i) the failure of the Professional Fees Escrow Account to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out and (ii) in no way shall the Budget, Carve Out, Post-Carve Out Trigger Notice Cap, Professional Fees

Escrow Account, or any of the foregoing be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors.

For the avoidance of doubt and notwithstanding anything to the contrary herein, the Carve Out shall be senior to all liens and claims securing the DIP Facility, the adequate protection liens and claims, and all other forms of adequate protection, liens, or claims securing the DIP Obligations or the Prepetition Obligations.

Prior to the occurrence of an Event of Default, the Debtors shall be permitted to pay compensation and reimbursement of all Allowed Professional Fees of Estate Professionals, as the same may be due and payable, and such payments shall not reduce the Carve Out. Upon the receipt of the Carve Out Trigger Notice, the right of the Debtors to pay professional fees using Cash Collateral outside the Carve Out shall terminate and the Debtors shall provide immediate notice to all Estate Professionals informing them that such notice was delivered and further advising them that the Debtors' ability to pay professional fees to such Estate Professionals using Cash Collateral is subject to and limited by the Carve Out. Any payment or reimbursement made prior to the occurrence of the Carve Out Trigger Notice Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

Starting with the first full calendar week following the Petition Date, each Estate Professional shall deliver to the Debtors a statement (each such statement, a "Weekly Statement") setting forth a good-faith estimate of the amount of unpaid fees and expenses incurred during the preceding week by such Estate Professional (through Saturday of such week, the "Calculation Date") (the "Estimated Fees and Expenses"). No later than one business day after the delivery of a Carve-Out Trigger Notice, each Estate Professional shall deliver one additional statement to the Debtors setting forth a good-faith estimate of the amount of unpaid fees and expenses incurred during the period commencing on the calendar day after the most recent Calculation Date for which a Weekly Statement has already been delivered and concluding on the date of the Carve-Out Trigger Notice, and the Debtors shall transfer such amounts to the Professional Fees Escrow Account (as defined herein).

The Debtors shall on a weekly basis, transfer cash proceeds from the DIP Facility or cash on hand in an amount equal to the aggregate unpaid amount of Estimated Fees and Expenses included in all Weekly Statements timely received by the Debtors which shall be reported to the DIP Agent, or if an estimate is not provided, the total budgeted weekly fees of Estate Professionals for the prior week set forth in the Budget, into a segregated account not subject to the control of the DIP Agent, any DIP Lender, or any Prepetition Secured Party (the "**Professional Fees Escrow Account**"). The Debtors shall use funds held in the Professional Fees Escrow Account exclusively to pay Professional Fees as they become allowed and payable pursuant to the Bankruptcy Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and any interim or final orders of the Court; provided that when all allowed Professional Fees have been paid in full (regardless of when such Professional Fees are allowed by the Court), any funds remaining in the

Professional Fees Escrow Account shall revert to the Debtors for use in a manner consistent with the DIP Credit Agreement and the DIP Orders; and provided further that the Debtors' obligations to pay allowed Professional Fees shall not be limited or be deemed limited to funds held in the Professional Fees Escrow Account. Funds transferred to the Professional Fees Escrow Account shall be held in trust for and exclusively available for the payment of any fees and expenses of the Estate Professionals, including with respect to obligations arising out of the Carve-Out (with a reversionary interest to the Debtors of any amount remaining in the Professional Fees Escrow Account after all allowed Professional Fees are satisfied in full). Funds transferred to the Professional Fees Escrow Account shall not be subject to any liens or claims granted to the DIP Lenders herein or any liens or claims granted as adequate protection, shall not constitute DIP Collateral, and shall not constitute Cash Collateral or assets of the Debtors' estates; provided that the DIP Collateral shall include the Debtors' reversionary interest in funds held in the Professional Fees Escrow Account, if any, after all allowed Professional Fees are satisfied in full.

Nothing herein shall be construed to impair the ability of any party to object to any fees, expenses, reimbursement or compensation sought by any Estate Professionals or any other person or entity.

Investigation Rights:

The Committee (to the extent one is appointed) shall have a maximum of sixty (60) calendar days from entry of the Final DIP Order and, to the extent a Committee is not appointed, any party in interest (other than the Debtors) shall have a maximum of seventy-five (75) calendar days from entry of the Final DIP Order (the "Investigation Period") to investigate and commence an adversary proceeding or contested matter, as required by the applicable Federal Rules of Bankruptcy Procedure, and challenge (each, a "Challenge") the findings, the Debtors' stipulations, or any other stipulations contained in the DIP Orders, including, without limitation, any challenge to the validity, priority or enforceability of the liens securing the obligations under the Prepetition Loan Documents, or to assert any claim or cause of action against the Prepetition Agent or the Prepetition Lenders arising under or in connection with the Prepetition Loan Documents or the Prepetition Obligations, as the case may be, whether in the nature of a setoff, counterclaim or defense of Prepetition Obligations, or otherwise. The Investigation Period may only be extended with the prior written consent of the DIP Agent (acting at the direction of the Requisite DIP Lenders), or pursuant to an order of the Bankruptcy Court. Except to the extent asserted in an adversary proceeding or contested matter filed during the Investigation Period, upon the expiration of such applicable Investigation Period (to the extent not otherwise waived or barred), (i) any and all Challenges or potential challenges shall be deemed to be forever waived and barred; (ii) all of the agreements, waivers, releases, affirmations, acknowledgements and stipulations contained in the Interim DIP Order shall be irrevocably and forever binding on the Debtors, the Committee and all parties-in-interest and any and all successors-in-interest as to any of the foregoing, including any Chapter 7 Trustee, without further action by any party or the Bankruptcy Court; (iii) the Prepetition Obligations shall be deemed to be finally allowed and the Prepetition Liens shall be deemed to constitute valid, binding and

enforceable encumbrances, and not subject to avoidance pursuant to the Bankruptcy Code or applicable non-bankruptcy law; and (iv) the Debtors shall be deemed to have released, waived and discharged the Released Parties from any and all claims and causes of action arising out of, based upon or related to, in whole or in part, the Prepetition Obligations. Notwithstanding anything to the contrary herein: (x) if any Challenge is timely commenced, the stipulations contained in the DIP Orders shall nonetheless remain binding on all other parties-in-interest and preclusive except to the extent that such stipulations are expressly and successfully challenged in such Challenge; and (y) the Released Parties reserve all of their rights to contest on any grounds any Challenge. For the avoidance of doubt, the DIP Orders shall include language that the investigation rights afforded to the Committee will not constitute the Debtors' or DIP Lenders' recognition, consent, or agreement not to object to, the Committee's standing to assert any claim or cause of action. To the extent that there is a successful Challenge to any Prepetition Obligations that are converted into the Roll-Up DIP Facility, the Roll-Up DIP Facility shall be automatically unwound and deemed null and void in an equivalent amount.

Conditions Precedent to the Closing of the DIP Facility:

The DIP Credit Agreement will contain customary conditions precedent to closing mutually acceptable to the Debtors, the DIP Agent and the DIP Lenders, including but not limited to the following conditions precedent, each of which shall be subject to waiver with the consent of the Debtors and the DIP Agent at the direction of the Requisite DIP Lenders:

- All documentation relating to the DIP Facility shall be in form and substance reasonably satisfactory to the DIP Agent and the DIP Lenders, and shall have been duly executed and delivered by all parties thereto.

- Other than the DIP Orders, there shall not exist any law, regulation, ruling, judgment, order, injunction or other restraint that prohibits, restricts or imposes a materially adverse condition on the DIP Facility or the exercise by the DIP Agent at the direction of the DIP Lenders of its rights as a secured party with respect to the DIP Collateral.
- Other than, in each case, as a result of the commencement and continuation of the Chapter 11 Cases, the events leading up to the Chapter 11 Cases, the effect of the bankruptcy, the conditions in the industry in which the Borrower operates in as existing on the Closing Date and/or the consummation of transactions contemplated by the Debtors' "first day" pleadings reviewed by the DIP Agent and the Requisite DIP Lenders, since the Petition Date there shall have occurred no event, circumstance or condition which has resulted, or could reasonably be expected to result, in a material adverse change in (i) the business, operations, properties or condition (financial or otherwise) of the Debtors and their subsidiaries, collectively, (ii) the legality, validity or enforceability of any DIP Loan Documents or the DIP Orders, (iii) the ability of the Borrower or the Guarantors, taken as a whole, to perform their payment obligations under the DIP Loan Documents, (iv) the perfection or priority of the DIP Liens granted pursuant to the DIP Loan Documents or the DIP Orders, or (v) the rights and remedies of the DIP Agent and the DIP Lenders under the DIP Loan Documents taken as a whole (any of the foregoing being a "Material Adverse Change").
- Other than the Chapter 11 Cases, as stayed upon the commencement of the Chapter 11 Cases, or as disclosed to the DIP Agent prior to the Petition Date, there shall exist no action, suit, investigation, litigation or proceeding pending or threatened in writing in any court or before any arbitrator or governmental authority that (i) would reasonably be expected to result in a Material Adverse Change or (ii) restrains, prevents or purports to affect materially adversely the legality, validity or enforceability of the DIP Facility or the consummation of the transactions contemplated thereby.
- Other than as a result of or in connection with the Chapter 11 Cases, all governmental and third party consents and approvals reasonably necessary to be obtained by the Borrower in connection with the DIP Facility, if any, shall have been obtained (without the imposition of any conditions that are not reasonably acceptable to the DIP Agent at the direction of the Requisite DIP Lenders in their reasonable discretion) and

shall remain in effect.

- Subject to the entry of the Interim DIP Order, the DIP Agent, for the benefit of the DIP Lenders, shall have a valid and perfected lien on and security interest in the DIP Collateral of the Debtors on the basis and with the priority set forth herein.

No Indemnified Party shall have any liability (whether direct or indirect, in contract, tort or otherwise) to any Debtor or any of its subsidiaries or any shareholders or creditors of the foregoing for or in connection with the transactions contemplated hereby, except, with respect to any Indemnified Party, to the extent such liability is found in a final non-appealable judgment by a court of competent jurisdiction to have resulted solely from such Indemnified Party's gross negligence or willful misconduct or any of such Indemnified Party's affiliates or their respective principals, directors, officers, employees, representatives, agents, attorneys or third party advisors. Debtors' Property Not in the Debtors' Possession

Local Rule 1007-2(a)(8) requires the Debtors to list property that is in the possession or custody of any custodian, public officer, mortgagee, pledgee, assignee of rents, secured creditor, or agent for any such entity.

Because of the constant movement of this property, providing a comprehensive list of the persons or entities in possession of the property, their addresses and telephone numbers, and the location of any court proceeding affecting the property would be impractical.
